

DOSATRON®

■ ■ ■ ■ ■ Because life is powered by water®

BARREL ADAPTOR

- Allows direct attachment of the Dosatron unit to the soluble oil barrel
- Move the Dosatron unit rather than the barrel
- Allows greater flexibility of barrel placement

For use with Dosatron models:

- D3RE5
- D3RE10

OPTIONS:

- PDI861 – fine thread option for fitting to metal barrels
- PDI861P – course thread option for fitting to plastic barrels
